

## Application to vote by post

### How do I apply to vote by post?

- 1** Fill in the postal vote application form.
- 2** Make sure **you** complete all sections of the form and supply your date of birth and signature.
- 3** Return your form as soon as possible to the address shown below.

Electoral Registration Officer  
4 Saddler Street  
Durham  
DH1 3NZ

Please **do not** return your form to The Electoral Commission.

**Please note:** your application form must arrive at your electoral registration office at least 11 working days before the election.

### Voting by post

You can apply to vote by post for a particular election, for a set period of time or for all future elections. Postal votes can be sent out to addresses in the UK and abroad.

### What happens after I've returned this form?

- When an election is going to be held, your ballot paper will be sent to you in the post. Remember, it may not be sent out until four working days before election day, or three working days in Scotland.
- If it does not arrive by this time, contact your electoral registration office for a replacement ballot paper. In Scotland, contact the returning officer at your local council. You must do this by 5pm on election day.
- You will need to give your date of birth and signature on this application form, and again when you use your postal vote. This information is needed to tackle fraud.
- Make sure you return your postal vote so that it arrives by election day, otherwise it will not be counted. A Freepost envelope is included in your postal ballot pack. But, if you are sending it from overseas, you will need to pay the postage.

- If it is too late to send your vote back by post, you can hand it in on election day to the returning officer at your local council, drop it off at a polling station in your constituency or, if you are voting in a local election, drop it off at any polling station in your ward.
- Your postal vote will be mixed with all the others before counting begins, so your vote will be kept secret.
